Declaration and signature

I understand that if I'm granted this assistance:

- my main benefit will stop from the date I start work
- only one Relocate for Work payment can be paid to me and/or my partner (if I have one) in a 52 week period
- I may have to pay money back if I return to a main benefit or Student Allowance within 6 months of starting this job, without a good and sufficient reason, or I don't use the payment for any of the reasons it was granted. For example if I:
 - don't move within 28 days
 - move using a different mode of transport than I applied for
 - get a payment for moving my belongings, but don't move them.

I understand what you do with my personal information and how you protect my privacy. More detailed information can be found at [workandincome.govt.nz/privacy](https://www.workandincome.govt.nz/privacy)
